

# Avalon Fortress, you're always secure.

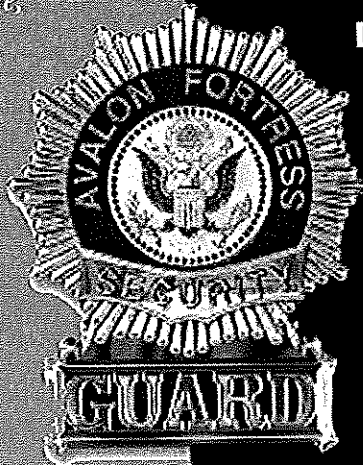

**Avalon Fortress Security Corporation** has been providing high-quality private security since 1982. Founder Dan Seman is certified in Homeland Security, is a member of the exclusive FBI Citizen's Academy and also attends a minimum of 100 hours a year of continuing security education to better serve his clients. He and his highly trained staff provide:

- Professional Security Guards
- Special event security
- Security consultants
- Executive protection
